MEMORANDUM FOR: Director  
 Federal Bureau of Investigation  
 Attention: Mr. S.J. Papich

SUBJECT : <sup>0</sup> Investigation in Japan of Report on Suspicious  
 Actions of Gerald Lee Richards, Originally  
 Described as Resembling Suspected Assassin of  
 Dr. Martin Luther King, Jr.

1. Reference is made to the report concerning the above subject made by telephone to Mr. S.J. Papich at 0930 on 17 April 1968. Following is a full account of the investigation made in this case:

A. On 16 April 1968 a United States National Maritime Union official in Yokohama reported that one Gerald Lee Richards, who bore a general physical resemblance to the description given of the suspected assassin of Dr. Martin Luther King, Jr. had arrived in Japan about 15 April 1968 and requested a position aboard any ship going anywhere. Richards became agitated when asked for a contact address in Japan and refused to divulge his Japanese residence. The National Maritime Union official described Richards as 5' 10" tall, 155 pounds, with brown hair, a receding hairline on both sides, and a not very prominent scar two and one-half inches long traversing the center forehead, his most outstanding characteristic being a disconcerting, idiotic grin resembling a constant grimace. According to Richards' documents and statements, he was born 8 April 1937, applied for seaman's papers in San Pedro, California, 16 June 1964 and registered there as a United States National Maritime Union member on 21 February 1968 but never shipped out. His Social Security Number is 562-13-5078; his United States Coast Guard Number is 2711-782.

B. A subsequent check with the Japanese National Police Agency confirmed the biographic data supplied by the National Maritime Union official. A ward check indicated that Richards originally resided in Japan from 1962 to 1964 and married TANAYAMA Michiko in 1963. Both Richards and his wife left Japan for the United States in 1964. Richards returned alone to Japan about 15 April 1968. His wife's address in the United States is listed as 160 Hosoi (phonetic) Street, Carpenteria, California, 93013.

C. A photograph of Richards obtained from the Japanese police was shown to the National Maritime Union official and identified by him as the individual in subparagraph 1A above who had applied for a seaman's berth. The photograph of Richards bears no apparent resemblance to photographs of suspected assassin James Earl Ray provided by the Federal Bureau of Investigation.

2. The above information has been given to the Legal Attaché of the United States Embassy in Tokyo.
